		<p>to adhere to for pupils under that age. Below is a proposed plan of potential activities dependent on staff and equipment availability.</p> <ul style="list-style-type: none"> • Climbing wall – Pupils are introduced to the basics of rock climbing using an auto-belay system. • PAC 24 Seaboat Simulators – these are expected to arrive in August but not confirmed as yet. A seaboat is a rigid hulled inflatable boat carried by Frigates & Destroyers. They are used for boarding operations & rescue missions. • Weapons Stance – This is a show & tell type scenario only with an introduction to the airsoft practice rifles and ranges used within Dalriada. Pupils would not be able to hold, touch or take photos. (happy to remove this if deemed inappropriate) 	<p>several stances where they would rotate round. Groups would spend around 30mins on each stance and then move round to the next.</p> <ul style="list-style-type: none"> • Firefighting – All Royal Navy personnel are trained firefighters. This exercise allows the pupils to experience the initial actions take on fighting a fire with an extinguisher (there’s no real fire!), the scenario would dictate that the initial actions have been unsuccessful and we make what is called a “re-entry”. The team get dressed in full fire-fighting gear, charge their firefighting hoses and advance on the fire to extinguish it. It demonstrates the need for physical fitness and teamwork. • Leadership – This will be a problem solving activity in the gym where the pupils are introduced to leadership & team work in order to provide a solution to a problem. We 	<p>wearing casual clothing.</p> <ul style="list-style-type: none"> • It is also advisable that they bring a water bottle with them. • Timings will depend on number of attendees, and we can lay on a buffet style lunch with drinks and refreshments if required. • Ideally, we’d like pupils over the age of 15.5 – If there are pupils under this age then we need to know – there are restrictions on how we approach potential recruits of different ages. <p>I’ll be able to formalise a more detailed plan of action once we get an idea of numbers.</p> <p>Please let DYW know of your intention to attend on info@dywled.org or contact the Navy STEM lead on Douglas.barbour858@mod.gov.uk to book a place for your school or pupils.</p>

Location: UK - Field Based (Engineers)

We are Centrica! We're so much more than an energy company. We're a family of brands revolutionising a cleaner, greener future. Working here is #MoreThanACareer - we're powered by purpose. Together we can make an impact that will truly change tomorrow. Whether you're developing cutting-edge green tech, helping customers on the front line or simplifying operations behind the scenes.

Your work here isn't just a job – it's a mission. We all play a vital role in energising a greener, fairer future.

Plug yourself in to something more.

Ensuring the future of our planet is kind of a big deal. That's why working here is #MoreThanACareer. Our work is so much more than just a job – it's a mission. We're not just part of the energy transition, we're leading it. We are proud to be Centrica – a family of 21,000 energisers working across 8 uniquely brilliant brands. Together, we're united by our purpose of

your chance to become something more!

We're looking for people that are ready to dive headfirst into the world of Smart Metering. Age? Gender? Background? All absolutely irrelevant! We're here for your drive, your passion, and that fire in your eyes. You are welcome for who you are, no matter where you come from, what you look like or how you power your home.

Your mission is to help us mend it.

SMART meters are the in-house tech that unlock the magic to a greener future. Sending data in real time, they show our customers exactly how much energy they're using in pounds and pence – helping them to see where they can make savings. As an apprentice, you'll grasp the skills not just to install and repair them – but to make sure our customers are getting the best out of them too.

At our award-winning academies, you'll absorb the wisdom, grasp the skills, and earn the qualifications to emerge as a
