02/12/24	<p>ScotRail</p> 	<p><u>Offer For Schools</u> We're planning to pencil in some dates for career talks in the new year and would love to gauge interest from schools with S4, S5, and S6 students. Our goal is to inspire the next generation and provide them with insights into the diverse career paths available within the rail industry.</p>	<p>I have already carried out a couple with smaller groups and I have copied in a LinkedIn post about the kind of discussions we can get the students involved in. I've had really good participation from the talks and the students seem to get quite involved in it which is great. I think groups of about 20-30 would work perfect.</p>	<p>Engage with Ross Lundie on the following link or email to ross.lundie@scotrail.co.uk to book.</p> <p>https://www.linkedin.com/posts/ross-lundie-089465160_scotrail-earlycareers-workforcedevelopment-activity-7265650275447705602-_k10?utm_source=share&utm_medium=member_desktop</p> <p>We can offer these talks in person or online, depending on travel time to each school or size of group (say if a school wanted more than 30 students involved in the session, it might be better suited to an online activity). I think it could be a fantastic way for students to engage with the world of work, start to think about what subjects would be great and what skills would be good to have for each career we have on offer.</p>

Action For Children

Can you help DYW support Action for Children this Christmas?

Children across the UK need a Secret Santa like you

The magic of Christmas begins in childhood. Hanging stockings. Sharing festive food. Presents under the tree. It's a time for children to feel loved and make memories that last a lifetime.

But for vulnerable children across the UK, Christmas is anything but magical. No stockings. No presents. No festive food – maybe no food at all.

At Action for Children, we're a children's charity who see children struggling every day. Children without a bed sleeping on the floor. Families phoning us crying because they have no money for food.

But we also see the difference you can make.

By donating and becoming a Secret Santa, you could give a vulnerable child the essentials of warm clothes, a hot meal, or a special present just for them.

For every £1 we spend, 85p helps children and families

Your donations Help 🎄 This year, choose a virtual gift that could support a vulnerable child 🙌 Just £25 could provide a vulnerable child with a Christmas present.

At Action for Children, we're working hard to make sure every child has a Christmas full of magic and help a vulnerable child this Xmas.
