		<p>We offer an environment of support and personal investment where you're given the opportunity to develop your career alongside your personal and technical skills. Our software engineers work on enhancements and upgrades to our existing software and develop new applications as part of an Agile team. You will likely review code and test applications and you'll be part of the team, making a contribution to our business while applying the knowledge that you're learning in the classroom.</p>	<p>alongside our award-winning internal training. Coupled with the on-the-job learning, this will lead to your obtaining a BSc (Hons) in Software Engineering.</p> <p><b>Career Progression</b> Upon successful completion of the program, you could be offered a full-time position within the firm.</p> <p><b>INFO VT:</b> <a href="#">Technology Graduate Level Apprenticeship Program in Glasgow   JPMorgan Chase &amp; Co.</a></p>	
09/12/24	<p><b>Centrica</b></p> 	<p><b>Apprentice Electrician- Glasgow</b> <b>Join us, be part of more.</b></p> <p>We're so much more than an energy company. We're a family of brands revolutionising how we power the planet. We're energisers. One team of 21,000 colleagues that's energising a greener, fairer future by creating an energy system that doesn't rely on fossil fuels whilst living our powerful commitment to igniting positive change in our communities. Here, you can find more purpose, more passion, and more potential. That's why</p>	<p><b>About your role:</b></p> <p>Your mission is to help us mend it by diving head first into the world of electrical Installation &amp; maintenance. Age? Gender? Background? Just numbers and stories that make you, you. We're here for your drive, your passion, and that spark in your eyes.</p> <p>During your apprenticeship, you'll absorb the wisdom, grasp the skills, and earn the qualifications to emerge as a top-tier Electrical Engineer – a true household hero. Under the wing of our</p>	<p><b>Here's what's in it for you.</b></p> <p>A starting salary of £17,850 which will continue to rise as you hit specific milestones during your apprenticeship.</p> <p>Once you have completed the full programme and aftercare support, your salary will rise to £39,796, aligning to that of our fully qualified and skilled electricians.</p> <p><b>Why should you apply?</b></p> <p>We're not a perfect place – but we're a people place. Our priority is supporting all of the different realities our people face. Life is about so much more than</p>

		<p>working here is #MoreThanACareer. We do energy differently - we do it all. We make it, store it, move it, sell it, and mend it.</p> <p><b>About your team:</b> At British Gas, our mission is to sell it and mend it.</p> <p>We're the household heroes powering 1 in 3 homes in the UK – but supplying energy is just part of what we do. We're making the UK's homes greener and more energy efficient, together with our friends at Hive. By using their clever tech like thermostats, heat pumps, solar panels and EV chargers, we're making it cheaper and easier to reduce your home's carbon-footprint. And with our Peak Save programme, we're actively rewarding better energy use too.</p>	<p>experienced Electricians, you'll soon learn how to deliver energy efficient solutions to our customers through installing, upgrading &amp; maintaining electrical systems.</p> <p>Don't be fooled, this isn't your average gig; it's a hands-dirty, heads-down role. But it is one like no other, where you'll play a pivotal role in providing energy-efficient solutions that directly impact the lives of families every single day, ensuring their homes are lit and their kettles boiled.</p> <p><b>Here's what we're looking for:</b> 4 GCSEs, ideally including Maths &amp; English, at grade C/4 or above or a recognised equivalent.</p> <p>A genuine passion for learning a trade &amp; striving for a successful career whilst working to the highest levels of safety.</p> <p>A full UK driving licence with 6 points or less.</p> <p>Availability to attend your training course, with provided accommodation and travel if needed (Training is hosted</p>	<p>work. We get it. That's why we've designed our total rewards to give you the flexibility to choose what you need, when you need it, making sure that you and your family are supported not only financially, but physically and emotionally too. Visit the link below to discover why we're a great place to work and what being part of more means for you.</p> <p><a href="https://www.morethanacareer.energy/britishgas">https://www.morethanacareer.energy/britishgas</a></p> <p>If you're full of energy, fired up about sustainability, and ready to craft not only a better tomorrow, but a better you, then come and find your purpose in a team where your voice matters, your growth is non-negotiable, and your ambitions are our priority.</p> <p><b>Apply Here Link or QR:</b> <a href="#">Careers</a></p>
