Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

highlighting this type of event in a college setting.
Both Colleges will also be offering tours of their facilities and information on their college pathways.

TIMINGS

The events will run between 9.30 am and 12.30 pm and will allow schools or pupils to attend anytime between this window.

Senior phase pupils will be able to book into this event and travel independently if required.

TRAVEL FUNDING

Schools booking FULL buses for S3-S6 pupils can access funding support for travel from DYW by contacting info@dywled.org

Schools will be asked to book bus and ensure invoice is charged to DYW to be reimbursed for the events.

DEVELOPMENT DAYS

The colleges are also supporting a next steps process and opportunity for further developmental learning to pupils that would like to learn more about the sectors we will feature on the day.

This will focus on pupils from S4, 5 & 6 and will include a 6-week faculty introduction and learning experience at the colleges over 6 development days from early April until the end of the academic year in June.

Example of learning delivered last year.....

- Sustainability – Heat pumps, Solar & Photovoltaic Panels & Renewables
- Architectural Drawings
- Insulating Building treatments
- Sustainable on-site campus house for EWI (Plasterers)
- Insulating Building treatments
- Sustainable on-site campus house for IWI (Joiners)
- VR & BIM Modelling
- Photography
- Cooking & Bakery
- Jewellery
- Sport & Sports Science
- Interior Design

Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

17/02/25	DRAX 	National Apprenticeship Week Drax have been setting up for NAW – and we’ve been able to take part in a brilliant panel event put on by Work Pays called ‘The Big Assembly’. One of our technical apprentices working in engineering and maintenance at our Drax Power Station, Centime Breach Frank, has been a spokesperson for Drax, women in STEM and is championing why an apprenticeship was the right route for her.	Please check out the video from The Big Assembly, shown in the on demand link below to see Centime in action and to hear from different companies on why apprenticeships and hiring apprentices are significant for them. Please share with your education and parent networks. Some of you may also be interested to know that our work experience shadowing is going ahead again across our offices in London, Ipswich and Selby for 2025.	Please encourage your young people to register for our Drax virtual work experience programme created in collaboration with Springpod, which will go live 17 February 2025 . Students can express interest to come to a work shadowing placement in person, by completing this virtual programme first. Successful students will be contacted to arrange their in-person placement. Thanks all and look forward to seeing your students at our sites again in 2025.
17/02/25	British Army 	Army Engagement Group ‘Your Army’ Presentation Forth Valley College, Falkirk at 6.30pm on Thu 13 Mar 25. I know some of you came to this in Hamilton in 2023 and that this is a bit out of area, but it would be great to see you in Falkirk, if you could make it. In any event, could you encourage other members of the DYW Lanarkshire and East Dunbartonshire	You will all be very welcome. You can register for the event on Eventbrite using the QR code here: 	Army Expo 2025. Army Expo 25 is coming to Edinburgh (Redford Bks) between 18 and 23 Aug 25. The Expo is a 90-minute ‘performance’ that showcases the Army, its key equipment and the future. A short YouTube clip showing what to expect is here: https://www.youtube.com/watch?v=fJJUE-xYwLs . Those coming will see the latest technology and the future Army, as well as the latest equipment (we’re still trying to confirm what we’ll get, but it is likely to include some or all of: Challenger 3 main battle tank; Apache helicopter gunship; Boxer and/or Ajax armoured fighting vehicles; Archer (artillery self-propelled gun)
