Please find below an opportunity to engage with the Centrica British Gas teams for a Careers Insight & Pathways Open Day. This opportunity is available for all schools to negotiate the best time to suit both your school and the employer.

I have attached some of the pictures from the event we held in November, as part of our Bothwell Futures engagement programme. This gives you an idea of the depth of support on offer from the employer to inspire the next generation of apprenticeships etc into their business.

- Contact Centre (get an overview of customer calls, get opportunity to listen to customer call and see how they could resolve this)
- Learning & Development (speak to our training teams and learn about their own career journey)
- Smart Metering live demo boards, look at safe/unsafe situations)
- Recruitment (speak to our team and learn about apprenticeships on offer, covering qualifications required, training schedule & salaries)
- Net Zero/Installs (speak to our installers and learn about central heating as well as Net Zero Air Source Heat Pumps)
- Electrical Services (speak to our engineers and learn more about their day-to-day role)
- Boiler Service and Repair (speak to our engineers and learn more about their day-to-day role)
- Safety (speak to Safety Rep, look at the PPE we use and discuss why it's important)

Karim Awadia is leading on the event and he would be happy to put a call or invite teachers over for an engagement session ahead of any event, if you think this would be beneficial.
