| 10/11/25 | <p><b>In2MedSchool</b></p>  | <p>I'm getting in touch to let you know about an exciting <b>UK Stroke Forum Conference</b>, taking place on <b>Monday 24th November</b> from <b>10am-1pm</b> at <b>P&amp;J Live, Aberdeen</b>. I understand this will be far to travel for some of you but I shared with everyone just incase.</p> <p>This event is being <b>organised by the UK Stroke Forum</b> in partnership with <b>DYW North East</b> as an outreach initiative, and is designed for <b>S3-S6 pupils</b> with an interest in <b>healthcare, life sciences, medicine, nursing</b>, or related fields.</p> | <p>It will be a fantastic opportunity for students to:</p> <ul style="list-style-type: none"> <li>• Hear <b>talks from a range of healthcare professionals</b></li> <li>• Take part in <b>interactive workshops</b>, including sessions on the FAST stroke recognition tool</li> <li>• Explore a <b>careers fair</b> with stalls from universities, healthcare organisations, and professionals</li> </ul> | <p>If your school is interested in attending or would like further information, please don't hesitate to contact me at <a href="mailto:hannah.ferry@in2medschool.com">hannah.ferry@in2medschool.com</a> and <a href="mailto:diane.munro@dyw.org.uk">diane.munro@dyw.org.uk</a> at <b>DYW North East</b>. We'd be delighted to welcome pupils from your school to what promises to be an inspiring and informative day.</p> <p>Kind regards,</p> <p>Hannah Ferry<br/><a href="mailto:hannah.ferry@in2medschool.com">hannah.ferry@in2medschool.com</a></p>                                                                                                                                                                                                                                    |

# DYW School Coordinator

## Weekly Updates

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

|          |                                                                                                                                       |                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                             |

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

Scotland's rich heritage in financial and professional services extends over three centuries since the establishment of the Bank of Scotland in 1695.

As the largest UK financial centre outside London, our sector is a key part of both the Scottish and UK economies. Known for its resilience and innovation, Scotland's financial services sector continues to lead globally, attracting significant foreign direct investment and nurturing a vibrant ecosystem of expertise and innovation.

Financial and professional services are at the heart of Scotland's economy, making up around 9.6% of the country's total economic output and providing jobs for roughly 136,000 people. The sector covers a broad range of industries, including banking, insurance, pensions, wealth and asset management, professional services, and fintech. These areas are supported by Scotland's emphasis on education and innovation, with some of the world's leading universities and

the future. Our strong ties with London, combined with our unique regional advantages, make Scotland an attractive destination for investment and growth in the financial services sector.

Join us as we continue to build on our legacy and strive to become a leading global financial centre, fostering innovation, sustainability, and excellence across our industry.

**GetInto.Finance** is here to guide you every step of the way. Whether you're exploring options, building skills, or ready to apply for your first role, this platform helps you shape your own journey.

| 10/11/25 | <b>Arnold Clark</b><br>    | <p>Here at Arnold Clark Early Careers, we have now launched our new look website just in time to launch our March intake opportunities alongside our graduate accountant roles for next year. We would really appreciate if you could share these opportunities out with, your network. Link below -</p> <p><a href="https://www.arnoldclark.com/early-careers">https://www.arnoldclark.com/early-careers</a></p> | <p>As well as this we have some online events throughout November - as part of Scottish Careers Week next week we will have an online Q&amp;A session as well as later in the month 2 info sessions all around Girls with Skill and what this programme entails. Online sessions will be the 26th and 27th of November with registrations for the programme opening that same week - dates now confirmed for Glasgow GWS will be Tuesday 3<sup>rd</sup> February and Edinburgh GWS will be Thursday 5<sup>th</sup> February 2026. If you could also promote these events, we would be very grateful -</p> <p><a href="https://www.arnoldclark.com/early-careers/events">https://www.arnoldclark.com/early-careers/events</a></p> | <p>Any questions please pass on to the team <a href="mailto:early.careers@arnoldclark.com">early.careers@arnoldclark.com</a> or 0141 406 4868.</p>  |
| 10/11/25 | <b>YES &amp; SDS</b><br> | <p>Careers Advisers have shared relevant information with schools and SDS are working with Young Enterprise on the delivery of the Circular Economy Skills Challenge (info attached). They are hoping schools will confirm involvement in the next couple of weeks. DYW may already be linked</p>                                                                                                                 | <p><b>For the DYW LED Region</b><br/>We only appear to have Larkhall Academy registered.</p> <p>If this information is incorrect, then please pass on the teacher information.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | <br>SDS Teacher Info Pack - Circular Economy                                                                                                       |

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

| 10/11/25 | <b>UWS</b><br> | <p><b><u>Heads of S5/6, Careers Guidance &amp; DYW Coordinators</u></b><br/> <b><u>Discover Your Future in Events and Tourism with UWS</u></b></p> <p>Staff from the UWS BA (Hons) Events and Tourism Management programme are pleased to offer engaging talks for school pupils studying travel, tourism, events, and business-related subjects. These sessions introduce the global events and tourism industries, exploring their impact and the wide range of exciting career opportunities they offer. Pupils will also gain insight into studying at university, with a spotlight on the BA (Hons) Events and Tourism Management, staff expertise, and student life. Talks can be tailored to focus on specific areas of interest, from event</p> | <p><b><u>Careers in creative industries (3D Animation, Video Games, Visual Effects, and Film)</u></b></p> <p>This session 30–40-minute session will be of interest to senior pupils studying art, graphics, design, digital art, or other creative fields. will cover various career paths within creative industries such as 3D Animation, Video Games, Visual Effects, and Film, as well as serious applications like Architectural Visualisation, Virtual Reality (VR), Augmented Reality (AR), and Real-time Simulation and Visualisation. I will advertise our programme and explain how the BSc (Hons) Animation Arts course at UWS equips students with the skills for creative production roles like Concept Artist, 3D Modeller, Digital Sculptor, Texturing Artist,</p> | <p><b><u>Learning about the world around you - studying the BA (Hons) Social Sciences at UWS</u></b></p> <p>The Social Sciences team will introduce your pupils to how we, at UWS, study politics and sociology. Through a taster lecture and an interactive exploration of a current political issue, of what is 'left' and what is 'right', or what significance 'class' has today, we give your pupils an insight into what becoming a social scientist involves.</p> <p>If you would like to request a visit on any of the above, email us at <a href="mailto:studentrecruitment@uws.ac.uk">studentrecruitment@uws.ac.uk</a> outlining which topic is of interest.</p> <p>We want every pupil to know that they can find their place at UWS.</p> <p>University of the West of Scotland<br/> <a href="http://www.uws.ac.uk">www.uws.ac.uk</a></p> |

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

We want every pupil to know that they can find their place at UWS.</p> <p>With the Glasgow 2026 Commonwealth Games fast approaching, the events and tourism sectors are increasingly in need of a skilled and specialised workforce. This presents an excellent opportunity for students to develop their careers.</p>                                                                                                                                                         | <p>Character Rigger, Animator, VFX Compositing Artist etc.</p>                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                       |
| Ongoing Offer | <p><b>Juniors</b></p>  | <p><b><u>The Juniors Skills Academy</u></b><br/>Opportunity for school groups to sign up to the Juniors Skills Academy.</p> <p>This Academy is a 6-week program empowering young people in the 5<sup>th</sup> or 6<sup>th</sup> year cohorts in Lanarkshire, Scotland. By designing, packaging, and marketing and selling Junior's coffee and cookies (where 100% of the profits go to supporting children in poverty in local communities through social work child in need family support) participants gain entrepreneurial, sales, and self-development skills, fostering</p> | <p>Program Activities:</p> <p>The academy operates in four phases:</p> <ol style="list-style-type: none"> <li>1. Orientation (Weeks 1): Participants learn entrepreneurship, self-development (e.g., confidence, communication), and product creation.</li> <li>2. Business Development (Weeks 2): Teams design products, create marketing campaigns on and off line, and manage production/logistics, emphasising innovation.</li> </ol> | <p>Gain their certification by:</p> <p>Selling in Shopping Centres/Asdas/Organised Events supervised by the Juniors team :</p> <p>Participants sell Junior's products at Asda, Spar's, shopping centre pop-up stalls, gaining real-world sales experience. This builds confidence, adaptability, and customer engagement skills, directly enhancing employability</p> |

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

employability and opening job opportunities.

The program can be delivered across Scotland starting off with the area of Lanarkshire and intends to make a huge impact in the employability, leadership and social skills for young people with long term aim of gaining a full SCQF qualification.

Welcome to Juniors Kindness Range – our Coffee and Cookie Company sold in 57+ Asda and retail stores.

Our mission is simple yet powerful: to make a positive impact on the lives of hungry children across Scotland.

We believe that no child should ever go to bed hungry, and we are committed to playing our part in ending food insecurity.

Through our delicious coffee and cookies, we aim not only to delight your taste buds but also to provide vital nourishment and support to those who need it most.

With every purchase you make, you're helping us move closer to a future

3. Sales and Pitching (Weeks 3): Participants sell at Shopping Centres, local markets, gala days etc, developing customer service and sales skills in high-traffic settings.

4. Sales and Pitching (Weeks 4): Participants sell online through social media outlets such as TikTok, Instagram and developing customer service and sales skills in high-traffic settings.

5. Final Challenge (Week 5): Participants call B2B businesses, conduct door-to-door sales, and present business plans to peers, earning certificates and career support.

6. Feedback & Mentoring (Week 6): Participants give and receive feedback about course, learn how to put their experience into words, discuss employment and mentoring opportunities.

**Mentorship by Successful Participants:**

## ■ Juniors Charity Cookie Challenge

|  |  | <p>Since 1935, Morgan Stanley is known as a global leader in financial services, continuously evolving and innovating to better serve our clients and our communities in more than 40 countries around the world.</p> <p>Whilst working at Morgan Stanley, we will support you to achieve your degree at one of our industry renowned partner universities. You will benefit from theory-based learning as well as the opportunity to develop practical software development skills, which you will apply as you gain a valuable insight into the financial industry. During the 4- year apprenticeship, you will rotate into different areas of the Technology division, to fulfil both your degree requirements and to ensure you have a well-rounded experience.</p> | <p>safe, efficient, smart, fast, and flexible, and the team rotations will provide you with insight to how this mission is achieved</p> <p><b>What qualifications or qualities are required?</b><br/>You will need a minimum of 4-Scottish Higher Grades at BBBB including either Mathematics, Computing Science, or Physics, and preferably National 5 English at grade C or above. (Will consider HNC/D). Graduate Apprenticeships are for those based in Scotland.</p> <p>Please note that the apprenticeship programme is open to Scottish Students, in their 5th or 6th year of High School. These opportunities, funded by the Scottish Government through Scottish Funding Council and SAAS.</p> <p>This programme will start in September 2026. Early Applications are encouraged as recruitment is ongoing.</p> <p>In addition to the Application Development Graduate Apprenticeship Programme, an alternative Technology</p> |  |

|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
|  | <p>Since 1935, Morgan Stanley is known as a global leader in financial services, continuously evolving and innovating to better serve our clients and our communities in more than 40 countries around the world.</p> <p>Whilst working at Morgan Stanley, we will support you to achieve your degree at one of our industry renowned partner universities. You will benefit from theory-based learning as well as the opportunity to develop practical skills in IT, which you will apply as you gain a valuable insight into the financial industry. During the 4- year apprenticeship, you will rotate into different areas of the Technology division, to fulfil both your degree requirements and to ensure you have a well-rounded experience. The delivery of this apprenticeship programme follows a day release model, where apprentices attend Strathclyde University (On campus) 1 day per week and work at Morgan Stanley 4 days per week.</p> | <ul style="list-style-type: none"> <li>• Cybersecurity &amp; Technology Risk</li> <li>• IT Project Management</li> <li>• Agile Team Enablement</li> <li>• Change Management (Management of code and technology changes)</li> <li>• Business Management</li> </ul> <p>The Technology mission is to ensure the Firm manages its global businesses and serves clients on a market-leading technology platform that is resilient, safe, efficient, smart, fast, and flexible, and the team rotations will provide you with insight to how this mission is achieved</p> <p><b>What qualifications or qualities are required?</b></p> <p>You will need a minimum of 4-Scottish Higher Grades at BBBB including either Mathematics, Computing Science, or Physics, and preferably National 5 English at grade C or above. (Will consider HNC/D). Graduate Apprenticeships are for those based in Scotland.</p> <p>Please note that the apprenticeship programme is open to Scottish Students, in their 5th or 6th year of High School. These opportunities,</p> |  |

| 10/11/25 | <p><b>Workman LLP</b></p>  | <p><b>Graduate Apprenticeship</b><br/><b>1 position available</b></p> <p><b>Apprentice Building Surveyor</b><br/><b>Workman LLP</b></p> <p><b>£19,000 to £22,000 per year: Salary</b></p> <p><b>Full-time (35 hours): Weekly hours</b></p> <p><b>23/12/2025: Vacancy closing date</b></p> <p><b>Glasgow: Job location</b></p> <p><b>Edinburgh Napier: Training provider</b></p> <p><b>SCQF level 10:SCQF qualification level</b></p> <p><b>Construction and the Built Environment</b><br/><b>ABOUT THE ROLE</b></p> <p>You'll be part of an experienced team, assisting in the delivery of a full range of Building Surveying services across commercial properties. A key feature of our programme is early and consistent client exposure—giving you the opportunity to build relationships</p> | <p><b>WHAT MATTERS MOST IN THIS ROLE</b></p> <p>Instructions are generally split 50:50 between professional and contract work, the majority of work is in relation to existing building often with a landlord or tenant aspect. Contract work can typically range from £10k to £2.5 million where we can be performing in the role of designer, contract administrator, project manager or a hybrid of all three. In addition, we perform the role of project manager of multi-discipline teams for instructions typically ranging from £2.5 million to £20 million. Work is typically split about 50:50 between work from the property management portfolio and work with clients where we do not have a management brief. Our clients are principally large institutional firms and property companies, such as Threadneedle, BlackRock, CBRE Global Investors, Goodman, Hansteen, Hammerson, Hermes, Intu, and Land Securities. We have an internal CAD team who do the majority of our drawing work but that apart we try to give all building surveyors a mixture of work – our</p> | <p><b>Apply for this apprenticeship</b><br/><b>Think this is the right apprenticeship for you?
