24/11/25	Herriot Watt 	<p>Exciting news from Heriot-Watt!</p> <p>We're delighted to let you know that our hugely successful Graduate Apprenticeship Recruitment Fair is coming back in 2026. The date has been confirmed as Wednesday 18 February 2026.</p> <p>This year's event will be bigger and better – with more employers and more opportunities for young people. As per the previous events, this careers fair style event features some of our key employer partners who will be showcasing live Graduate Apprenticeship opportunities. The event is aimed at senior phase school pupils, parents, people looking to upskill or looking for a career change.</p>	<p>It will be held at the Heriot-Watt Campus, between 5pm to 7pm. It's a fantastic opportunity for young people to interact with employers and learn more about career opportunities in construction, civil engineering, engineering, software development and business management.</p> <p>I appreciate this will be more relevant for some DYW regions than others (due to geography).</p> <p>We'd really appreciate any help you can provide in promoting this flagship event to schools, pupils, partner and parents if they would like to attend.</p>	  HWU Graduate Apprenticeship Recru
24/11/25	SRUC 	<p>SRUC School of Veterinary Medicine & Biosciences has launched VetExplore 2026.</p> <p>VetExplore aims to inspire S3 boys through practical activities, promote a range of veterinary careers and provide information about and</p>	<p>Participants will hear from SRUC staff, students and local vets who will provide insight into studying and working in the field of veterinary medicine, and the REACH programme.</p> <p>The programme is non-residential and therefore pupils should be able to</p>	<p>APPLY TO VETEXPLORE : VetExplore Application Form 2026</p>

		<p>Any applicant requires to be of the age: 16-19years, and have a genuine interest in developing the young minds of children aged 0-5years in a Private Nursery or Out of School Care Setting whilst gaining their qualification through Carousel Training Centre.</p>	<p>https://youtu.be/5MP-Rps1rlk</p> <p>Thank you for your continued support to Carousel Training Centre.</p>	
24/11/25	<p>The Melting Pot</p> 	<p>Enterprise in Place</p> <p>Enterprise in Place</p> <p>Scotland has a strong entrepreneurial ecosystem, yet women currently make up only one-third of self-employed people, with significantly lower rates in rural areas, deprived communities, and certain age groups.</p> <p>The Melting Pot is a female-founded, woman-led enterprise. We know that women change the world. The Enterprise in Place project sets out to start dismantling the barriers women entrepreneurs face to starting a project, business or enterprise. We want to rewrite the story.</p>	<p>So, what is Enterprise in Place?</p> <p>Enterprise in Place is a co-created place-based programme of enterprise support for women and non-binary people in three contrasting communities delivered from November 2025 to March 2026.</p> <p>It will pilot a personalised approach to enterprise support so we can help female entrepreneurs in Scotland thrive.</p> <p>Alongside Community Connectors, we will co-design and embed inclusive, locally rooted enterprise support within Glasgow, Dunoon, and East Kilbride.</p>	 <p>Enterprise Offer.pdf</p> <p>Programme design principles</p> <p>The project is based on four interconnected design principles:</p> <p>Local navigation through Community Connectors – in each area, we have partnered with trusted, locally embedded facilitators who provide outreach, personalised support and legacy.</p> <p>Co-creation in context – the programme design and delivery will be shaped through Listening Labs, where participants influence the content, timing, and structure</p>

DYW School Coordinator Weekly Updates

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

		<p>We imagine a Scotland where women are supported by a network of community-focused, independent workspaces that foster mutual support and collaboration, and drive local economic development and social regeneration.</p> <p>That's where Connected Hubs began, and Enterprise in Place continues...</p>	<p>Tailored to the needs of the audience in these communities, support will include childcare and travel stipends, digital access help to overcome barriers to participation. Support will be delivered in partnership with The Melting Pot, Elevator UK, Firstport, and Connected Hubs Scotland, and is funded by The Ecosystem Pathways Fund.</p> <p>Communities in focus</p> <ul style="list-style-type: none"> In Glasgow, we'll be supporting women aged 50+ at a career transition, affected by job losses in retail, care, and administration, automation, and age bias. Go to the Glasgow Project Page. Enterprise In Place : Glasgow 	<p>of support to suit their lives (e.g., care schedules, transport access).</p> <p>Pick-n-mix flexibility – participants choose from a menu of interventions such as workshops (e.g. finance, marketing, AI, business models), networking, coaching, and a cross-cohort Challenge Weekend for applied learning.</p> <p>National ecosystem integration – participants will become connected into Scotland's entrepreneurial infrastructure through delivery partners: Elevator, Firstport and Connected Hubs – to sustain progress after the pilot.</p> <p>Project outcomes</p> <p>Across the three locations, 75 participants will take part in 16–20 tailored activities. The programme aims to develop business knowledge, build confidence, and support women to develop an actionable plan.</p>

Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

your taste buds but also to provide vital nourishment and support to those who need it most. With every purchase you make, you're helping us move closer to a future where every child has access to healthy, nutritious meals.

Together, let's make a difference — one cup of coffee and one cookie at a time!

**The Academy
Interactive Training
and Work Program**

The Academy is a 6-week program empowering young people aged 15 - 18 per cohort in Lanarkshire Scotland. By designing, packaging, and marketing and selling Junior's coffee and cookies (where 100% of the profits go to supporting children in poverty in local communities through social work child, need family support) participants gain entrepreneurial, sales, and self-development skills, fostering employability and opening job opportunities. The program can be delivered across Scotland starting off with the area of Lanarkshire and intends to make a huge impact in employability, leadership and social skills for young people.

For More information please contact Lesley Robertson on 07943571892 or by emailing contactus@familieslikeus.org.uk

employment and mentoring opportunities.

Mentorship by Successful Participants:

Successful graduates return as mentors for new cohorts, sharing insights from their sales and B2B experiences. Mentoring fosters leadership, reinforces skills, and inspires incoming youth. This peer-led model creates a supportive community, ensuring sustained impact and program continuity.

To get your school signed up for this 6–8-week Academy or find out more information, then contact the DYW team on info@dywled.org to link in with the team.

----------	--	---	--	--

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

		<p>Since 1935, Morgan Stanley is known as a global leader in financial services, continuously evolving and innovating to better serve our clients and our communities in more than 40 countries around the world.</p> <p>Whilst working at Morgan Stanley, we will support you to achieve your degree at one of our industry renowned partner universities. You will benefit from theory-based learning as well as the opportunity to develop practical skills in IT, which you will apply as you gain a valuable insight into the financial industry. During the 4- year apprenticeship, you will rotate into different areas of the Technology division, to fulfil both your degree requirements and to ensure you have a well-rounded experience. The delivery of this apprenticeship programme follows a day release model, where apprentices attend Strathclyde University (On campus) 1 day per week and work at Morgan Stanley 4 days per week.</p>	<ul style="list-style-type: none"> • Cybersecurity & Technology Risk • IT Project Management • Agile Team Enablement • Change Management (Management of code and technology changes) • Business Management <p>The Technology mission is to ensure the Firm manages its global businesses and serves clients on a market-leading technology platform that is resilient, safe, efficient, smart, fast, and flexible, and the team rotations will provide you with insight to how this mission is achieved</p> <p>What qualifications or qualities are required? You will need a minimum of 4-Scottish Higher Grades at BBBB including either Mathematics, Computing Science, or Physics, and preferably National 5 English at grade C or above. (Will consider HNC/D). Graduate Apprenticeships are for those based in Scotland. Please note that the apprenticeship programme is open to Scottish Students, in their 5th or 6th year of High School. These opportunities,</p>
