# DYW School Coordinator Weekly Updates

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

09/02/26	<p><b>EY Foundation</b></p> 	<p><b><u>EY &amp; EY Foundation</u></b> The EY Foundation Programmes are exclusively for young people who are aged 16 and above, and have been recently eligible for free school meals, a college bursary or Education Maintenance Allowance (EMA).</p> <p>Which programme is right for me? If you wish to apply directly yourself and you meet the eligibility criteria then either Smart Futures, Step Into Business or Your Future is for you.</p>	<p>Our programmes offer young people paid employability skills training and work experience. We support young people with travel costs through a bursary for those who need help with travel and provide lunch for all young people during the paid employability skills training week.</p> <p>If you are unsure and have any questions, please email us at <a href="mailto:enquiries@eyfoundation.ey.com">enquiries@eyfoundation.ey.com</a> and our friendly team can help!</p> <p><b><u>Know which Smart Futures programme you want to apply to?</u></b></p> <p>Link to register : <a href="#">Login</a></p>	<p><b>Smart Futures</b> If you are in Year 12 (or S5 in Scotland) and have been recently eligible for free school meals, a college bursary or Education Maintenance Allowance (EMA) then you will be eligible to apply.</p> <p><b>Your Future</b> Your Future is a six-month programme for students who want to go straight into work after school, rather than further education at the end of Year 13 (Fifth Year in Scotland). To qualify for the programme you must have been eligible for either Free School Meals or the College Bursary in the last two years.</p> <p><b>Step Into Business</b> Do you have a business idea but not sure on how to set up your own business? This programme supports 16–19-year-olds by increasing their knowledge on how set up a new business and provides opportunity to benefit from 1 to 1 coaching and seed funding for a business idea.</p>
09/02/26	<p><b>NHS Lanarkshire</b></p> 	<p><b><u>Project Search are actively taking applications for their course. Would you be able to share with your teams and colleagues?</u></b> A business-led, one-year transition-to-employment programme designed specifically for young people with learning disabilities and autism.</p>	<p>Based within Lanarkshire hospital sites, the programme provides immersive, real-world work experience combined with tailored education and employability training. Delivering exceptional pathways that empowers students to move confidently into paid employment.</p>	<p> DFN Project Search Flyer.pdf</p> <p><b>Apply Now</b></p> <p> <a href="https://www.nclanarkshire.ac.uk/">https://www.nclanarkshire.ac.uk/</a></p>

02/02/26	<p>In2Stem</p> 	<p>Student applications for the In2STEM programme have been open for over a month and we've already received over 1000 submissions! Don't let your students miss out and encourage them to apply before the deadline. The programme will provide free, hands-on, valuable experience for hundreds of pupils in the summer 2026. In2STEM exists to break down barriers and support the next generation of STEM professionals. This involves providing a bursary to cover food and transport costs, ensuring the experience is accessible for all. Please remember that students need to meet our eligibility criteria.</p> <p>If you have anyone you think would be interested in applying, please share the opportunity with them. <a href="#">Apply for In2STEM - In2scienceUK</a> <b>Applications close on 5 April 2026.</b></p>	<p><b>Who can apply?</b></p> <p>The In2STEM programme is free and matches Year 12 or S5/S6 (or equivalent) students from low socioeconomic backgrounds with STEM professionals. The experience provides students with the skills, knowledge and confidence to make informed decisions about their future.</p> <p>Interested students can apply by filling in the Application Form linked above. Students must meet our eligibility criteria in order to be shortlisted.</p> <p>Programme activities will take place between 20 July - 21 August 2026. Students will be provided with a bursary to cover travel to any in-person events, travel to their work placement and lunches.</p>	<p><b>We would really appreciate your help spreading the word with your students. You can download our Schools Communication pack below.</b></p> <p><a href="#">In2STEM 2026 - School Communications Pack</a></p> <p><b>Big Bang Competition</b></p> <p>The Big Bang Competition is still open for entries! Inspire students to work together, problem solve and get creative with science, engineering and technology. Celebrate your students' inner innovator with technology prizes, supported by Siemens. <b>The deadline to submit projects is 04/03/2026.</b></p> <p><a href="#">Big Bang Competition</a></p>

**Teaching & Learning Centre, Queen Elizabeth Hospital, Glasgow**

Attention all schools and young people. **DYW** is delighted to be supporting the NHS Greater Glasgow and Clyde teams with their recruitment campaign for this years cohort of Apprentices. 🧑🏻‍🔧🧑🏻‍🎓🧑🏻‍🏭🧑🏻‍🚒 This will be their biggest recruitment campaign to date, and with so many varied roles on offer from #DentalNurses to #Engineers & #PharmacyTechnicians, there really is something for any school leaver to consider. ✓

Don't miss out on the closing dates and sign up information. ✓  
Use the QR Code on the flyer to Register HERE:

<https://link.webpolsurveys.com/Participation/Public/4a9ad2e1-459d-4a8b-8186-89ceb6bf6701?displayId=Uni1699823>

Our Apprentices develop their knowledge and skills on the job and gain nationally recognised qualifications. We view apprenticeship as just the start of a much longer-term career within the NHS and once you've successfully completed your apprenticeship, we will support you to transition into permanent employment. ✓

All Apprentices are paid at least the Scottish Living Wage with many earning above that level and are NHS

Employees with the same benefits, allowances, annual leave entitlement and pension as all our staff. ✓

Our Apprenticeships are open to anyone living in Scotland aged between 16 and 24 years (or 16 to 29 years for candidates with a disability or who are care experienced\*) in line with NHS Greater Glasgow and Clyde Widening Access Strategy and in support of our Workforce Demographics and projections. ✓

## Featured Apprenticeships Offers

09/02/26	<p><b>Network Rail</b></p> 	<p><b>Engineering Apprenticeship (Scotland)</b> Make tracks in your career with an Apprenticeship at Network Rail!</p> <p>We're searching for Scotland's next generation of rail apprentices to join us this August and help shape the future of Scotland's Railway.</p> <p>Do you ever think about the engineering that connects communities across Scotland? From the bustling lines linking our eight major cities to the serene routes through the Highlands, we manage a diverse railway network that serves everyone—from local residents to travelling tourists.</p> <p>Well, here at Network Rail, we do. It's our passion and purpose.</p> <p>With 84.7 million passenger journeys in 2024/25, Scotland's Railway is essential to transport and the</p>	<p><b>About the role</b> As an Engineering Apprentice with Network Rail, you'll be at the heart of Scotland's Railway, working on national projects, embracing the latest tech and gaining hands on experience that will take your career full steam ahead.</p> <p>This opportunity is open to people from all walks of life. Whether you're fresh out of school, switching careers, or looking for a hands-on, rewarding role, we welcome your unique perspective and experiences.</p> <p>Working alongside experienced engineers at one of our depots, you'll help maintain our thousands of bridges, signals and hundreds of our level crossings, ensuring Scotland's Railway keeps moving.</p> <p>The scheme lasts for three years. You'll kick off year one with our training provider, before moving into a placement at a Network Rail depot for</p>	<p><b>What qualifications or qualities are required?</b> You will be a highly motivated team player with a drive for learning, you'll slot right in. Bring your passion for engineering, and we'll help you develop your problem-solving abilities and attention to detail. Flexibility is key, and your commitment to health and safety will keep us all on track.</p> <p>To apply, you'll need a minimum of National 5s (or above) in English, a Science, and Maths (excluding Applications of Maths) at Grades A-C, along with one other subject at Grades A-C or equivalent. And don't forget—you need to be aged 18 or over on or before September 2026 to come onboard the scheme.</p> <p>It gets better! If you've completed a Foundation Apprenticeship or a relevant engineering qualification, you'll be ahead of the game. We'll need you to provide evidence of your qualifications and demonstrate the skills you've gained through your studies.</p>

		<p>the process.</p> <p><b>Who we are</b> South Lanarkshire Council delivers a wide range of services that touch all communities and every household in South Lanarkshire. Property Services, within Housing and Technical Resources, is responsible for the delivery of maintenance and improvement works to the Council’s property portfolio.</p> <p><b>Property Services</b> is split between 3 service areas: -</p> <ul style="list-style-type: none"> <li>• Building Services</li> <li>• Assets and Estates</li> <li>• Consultancy Services.</li> </ul> <p>Building Services is responsible for delivering construction and improvement projects in addition to undertaking maintenance works across the Council’s property portfolio, and we are looking for a variety of Trade Modern Apprentices to join the team.</p>	<p>disabled or care experienced and aged between 20 and 29 years by 06/08/2026, you may be eligible to apply if you meet the essential criteria.</p> <p>Care experienced means you are or were, formally looked after by a local authority, in the family home (with support from social services or a social worker) or in foster care, residential/secure care, or kinship care (with family friends or relatives).</p> <p>We welcome applications from individuals who can demonstrate a commitment to their own learning, as the successful candidates will become qualified and time served in their chosen trade. The apprenticeship will be completed through a mixture of on-the-job experience, working alongside qualified/experienced tradespeople; and off-the-job experience at college, gaining the underpinning knowledge and recognised qualifications required for your chosen trade. During your training you will also develop your core skills through the work you carry out.</p>	<p><b>Support during the application process</b></p> <p>The recruitment process has 4 stages and applicants must complete each of these before the published deadline to avoid being withdrawn from the process. If you encounter issues at any stage of the process, you should contact us for support immediately by e-mailing <a href="mailto:modernapprentice@southlanarkshire.gov.uk">modernapprentice@southlanarkshire.gov.uk</a> making sure to explain your issue. This e-mail inbox will be monitored during working hours: Monday to Thursday 8.45 am – 4.45 pm, and Friday 8.45 am – 4.15pm.</p> <p>Stage 1 – Submitting your application.</p> <p>Check that you meet the essential criteria detailed on the job profile.</p> <p>If so, please complete the application form, providing all the required information, making sure to submit it before the published closing date. As part of the process, you will also be required to provide answers to the 5 questions below and you should submit these along with your application on a separate document.</p>
