	Organisation	What's On Offer	Information Brief	Links/ Attachments
Ongoing	<p>DYW Step into Future Jobs</p> 	<p><u>Step into Future Jobs Scottish Apprenticeship Week Events</u> BOOKING OPEN NOW SAVE THE DATE</p> <p>We hope your school can consider attendance at our upcoming Flagship Scottish Apprenticeship Week Events. DYW Lanarkshire and East Dunbartonshire is reaching out to your school to attend our upcoming Step into Future Jobs events taking place at City of Glasgow College City Campus and South Lanarkshire College on the 4th and 5th of March, respectively.</p> <p>The planned events will be a joint venture with our colleagues at the college and as such, will highlight opportunities available on their course curriculum and our annual Development Day opportunities across multiple college departments.</p> <p>With the events targeting Scottish Apprenticeship Week, we will also be providing you with a platform to find out about pathways into sectors featured by multiple local and national employer and supported by</p>	<p><u>STEP INTO FUTURE JOBS – SCOTTISH APPRENTICESHIP WEEK 26 COLLEGE EVENT BRIEF</u></p> <p>Step into FUTURE Jobs Careers Events will take place at City of Glasgow College, City Campus and South Lanarkshire College on the 4th of March and on the 5th of March from 9.30 am to 12.30 pm. We are holding the event in partnership with our colleagues at the Colleges and as a result, all attendees will have an opportunity for a College Tour of the faculties involved in Future Jobs pathways and the on-site facilities.</p> <p>The aim is to provide senior phase secondary school pupils with a wider understanding of Apprenticeships, Future Emerging Jobs, and the Green & Sustainable Jobs Sector and the potential career opportunities in those fields, whilst hopefully inspiring them to select the relevant subjects and pathways at school that can lead to their chosen sector.</p> <p>Open to ALL S3-S6 pupils ONLY</p>	 <p>Contact info@dywled.org for more information</p> <p>BOOKING LINK CITY OF GLASGOW COLLEGE 4th MARCH: https://www.eventbrite.co.uk/e/1977902805535?aff=oddtcreator</p>

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

		<p>highlighting this type of event in a college setting. Both Colleges will also be offering tours of their facilities and information on their college pathways.</p> <p>TIMINGS The events will run between 9.30 am and 12.30 pm and will allow schools or pupils to attend anytime between this window. Senior phase pupils will be able to book into this event and travel independently if required.</p> <p>TRAVEL FUNDING Schools booking FULL buses for S3-S6 pupils can access funding support for travel from DYW by contacting info@dywled.org Schools will be asked to book bus and ensure invoice is charged to DYW to be reimbursed for the events.</p>	<p>DEVELOPMENT DAYS The colleges are also supporting a next steps process and opportunity for further developmental learning to pupils that would like to learn more about the sectors we will feature on the day. This will focus on pupils from S4, 5 & 6 and will include a 6-week faculty introduction and learning experience at the colleges over 6 development days from early April until the end of the academic year in June. Example of learning delivered -Sustainability – Heat pumps, Solar & Photovoltaic Panels & Renewables -Architectural Drawings -Insulating Building treatments –Sustainable on-site campus house for EWI (Plasterers) -Insulating Building treatments –Sustainable on-site campus house for IWI (Joiners) -VR & BIM Modelling -Photography -Cooking & Bakery -Jewellery -Sport & Sports Science -Interior Design</p>	<p>BOOKING LINK SOUTH LANARKSHIRE COLLEGE 5th MARCH: https://www.eventbrite.co.uk/e/1977902644052?aff=oddtcreator</p>

Ongoing	<p>King's Trust</p> 	<p>King's Trust –South Lanarkshire Enterprise Challenge Event</p> <p>Through Funding secured from SSE Windfarms we are grateful to be able to offer Enterprise Challenge to every School in SL over the course of 2 years</p> <p>What is Enterprise Challenge?</p> <p>Enterprise challenge is a one-day event in schools delivered by the Kings Trust. In the morning YP will learn about business skills through an online simulation game.</p> <p>In the afternoon YP will get a chance to come up with a business idea that focuses on renewable/eco-friendly aspects that could run and benefit their school.</p> <p>The final task of the day will see the YP play the game one final time where their score will be collected and added to a score board.</p> <p>The top 5 schools with the highest scores will then be invited to an Enterprise challenge final where they will pitch a business idea for their school with the chance to win £1000. It is a great programme and enjoyed by all who participate.</p>	<p>Who is it for?</p> <p>Pupils S1-S6 with a keen interest in business / enterprise</p> <p>Minimum of 6-10 YP per school taking part</p> <p>We are keen to engage with a diverse cohort of YP giving those from high SIMD/rural areas, ethnic minority backgrounds and female identifying YP an opportunity to find their space in the world of business. By providing a tailored insight into the business world and developing their entrepreneurial skills we hope to begin to break down barriers and inspire YP to see their potential to become the entrepreneurs of the future.</p> <p>When?</p> <p>Delivery dates for will be from:</p> <p>12th Jan -13th Feb 2026 - Schools can book 1 day of their choosing within this timeframe</p> <p>Final taking place at the end of March 2026 @ South Lan College</p>	<p>Who to contact?</p> <p>If you are interested, please e-mail Kirsten Stepien @ the King's Trust for more information or to book in your date.</p> <p>Kirsten.Stepien@kingstrust.org.uk</p>

<p>09/02/26</p>	<p>Network Rail</p> 	<p>Engineering Apprenticeship (Scotland) Make tracks in your career with an Apprenticeship at Network Rail!</p> <p>We're searching for Scotland's next generation of rail apprentices to join us this August and help shape the future of Scotland's Railway.</p> <p>Do you ever think about the engineering that connects communities across Scotland? From the bustling lines linking our eight major cities to the serene routes through the Highlands, we manage a diverse railway network that serves everyone—from local residents to travelling tourists.</p> <p>Well, here at Network Rail, we do. It's our passion and purpose.</p> <p>With 84.7 million passenger journeys in 2024/25, Scotland's Railway is essential to transport and the economy. Our team works alongside ScotRail and other operators, to keep the 2,668 miles of track running</p>	<p>About the role As an Engineering Apprentice with Network Rail, you'll be at the heart of Scotland's Railway, working on national projects, embracing the latest tech and gaining hands on experience that will take your career full steam ahead.</p> <p>This opportunity is open to people from all walks of life. Whether you're fresh out of school, switching careers, or looking for a hands-on, rewarding role, we welcome your unique perspective and experiences.</p> <p>Working alongside experienced engineers at one of our depots, you'll help maintain our thousands of bridges, signals and hundreds of our level crossings, ensuring Scotland's Railway keeps moving. The scheme lasts for three years. You'll kick off year one with our training provider, before moving into a placement at a Network Rail depot for years two and three. Get ready to embrace all weather conditions because we're out there around the clock, come rain or shine but don't worry, we'll provide all the</p>	<p>What qualifications or qualities are required? You will be a highly motivated team player with a drive for learning, you'll slot right in. Bring your passion for engineering, and we'll help you develop your problem-solving abilities and attention to detail. Flexibility is key, and your commitment to health and safety will keep us all on track.</p> <p>To apply, you'll need a minimum of National 5s (or above) in English, a Science, and Maths (excluding Applications of Maths) at Grades A-C, along with one other subject at Grades A-C or equivalent. And don't forget—you need to be aged 18 or over on or before September 2026 to come onboard the scheme.</p> <p>It gets better! If you've completed a Foundation Apprenticeship or a relevant engineering qualification, you'll be ahead of the game. We'll need you to provide evidence of your qualifications and demonstrate the skills you've gained through your studies.</p> <p>Apply for this apprenticeship</p> <p>Think this is the right apprenticeship for you? Click the "Apply now" LINK or QR Code to start your new career with this apprenticeship.</p>

		<p>the process.</p> <p>Who we are South Lanarkshire Council delivers a wide range of services that touch all communities and every household in South Lanarkshire. Property Services, within Housing and Technical Resources, is responsible for the delivery of maintenance and improvement works to the Council’s property portfolio.</p> <p>Property Services is split between 3 service areas: -</p> <ul style="list-style-type: none"> • Building Services • Assets and Estates • Consultancy Services. <p>Building Services is responsible for delivering construction and improvement projects in addition to undertaking maintenance works across the Council’s property portfolio, and we are looking for a variety of Trade Modern Apprentices to join the team.</p>	<p>disabled or care experienced and aged between 20 and 29 years by 06/08/2026, you may be eligible to apply if you meet the essential criteria.</p> <p>Care experienced means you are or were, formally looked after by a local authority, in the family home (with support from social services or a social worker) or in foster care, residential/secure care, or kinship care (with family friends or relatives).</p> <p>We welcome applications from individuals who can demonstrate a commitment to their own learning, as the successful candidates will become qualified and time served in their chosen trade. The apprenticeship will be completed through a mixture of on-the-job experience, working alongside qualified/experienced tradespeople; and off-the-job experience at college, gaining the underpinning knowledge and recognised qualifications required for your chosen trade. During your training you will also develop your core skills through the work you carry out.</p>	<p>Support during the application process</p> <p>The recruitment process has 4 stages and applicants must complete each of these before the published deadline to avoid being withdrawn from the process. If you encounter issues at any stage of the process, you should contact us for support immediately by e-mailing modernapprentice@southlanarkshire.gov.uk making sure to explain your issue. This e-mail inbox will be monitored during working hours: Monday to Thursday 8.45 am – 4.45 pm, and Friday 8.45 am – 4.15pm.</p> <p>Stage 1 – Submitting your application.</p> <p>Check that you meet the essential criteria detailed on the job profile.</p> <p>If so, please complete the application form, providing all the required information, making sure to submit it before the published closing date. As part of the process, you will also be required to provide answers to the 5 questions below and you should submit these along with your application on a separate document.</p>
