01/06/26	<p>Leidos</p> 	<p>LEIDOS STEM Challenge Celebration Event on Wednesday 3 June, from 10:00–11:30am at The Pyramid at Anderson, 759 Argyle Street, Glasgow.</p> <p>Our SSERC Education Industry Partnership with Leidos is now in its fifth year and continues to grow from strength to strength. Through this collaboration, ten schools have been participating during 2025/26 in the LEIDOS STEM Challenge, with teams of up to six pupils working on projects linked to Leidos’ aims and values. Choosing from a list of six possible challenges, the teams have researched, designed and developed innovative solutions with the support of Leidos STEM Ambassadors. They have also been working towards their Young STEM Leader Awards during the Challenge.</p>	<p>On 3rd June, schools from East Dunbartonshire, East Renfrewshire, Glasgow and North Lanarkshire will be showcasing their projects and speaking informally about their journey to guests, STEM Ambassadors, parents, family and friends. The event will take place in the Sports Hall of the The Pyramid, which is community owned and a great space. Leidos partner with them for several community activities throughout the year.</p> <p>The programme for the morning is as follows: 10:00am – Official welcome 10:15am–11:15am – Opportunity to browse the showcases and meet the pupils 11:15am–11:30am – Presentation of certificates to each school</p>	<p>Please feel free to drop in at any time during the event and help us celebrate the pupils’ success. Tea/coffee and cakes will be available throughout the morning.</p> <p>If you plan to attend, please complete the guest registration form: LEIDOS STEM Challenge Showcase – Guest Registration – 3 June 2026</p> <p>We look forward to meeting you!</p>
01/06/26	Arc Scotland	ARC Scotland has produced the seven Principles of Good Transitions which are evidence-based and written into Scottish Government policy. They aim	Principles into Practice works with Compass to gather data and evaluate the impact of the Principles of Good	 Partner Information - Principles into Practic

All information has been shared to school coordinators with an interest in Developing the Young Workforce, Skills Development Scotland and the events programme highlighted for Lanarkshire & East Dunbartonshire. Offers highlighted are targeted for DYW Champions to cascade the Scottish Government DYW priorities.

		<p>to improve the experiences of young people with additional needs aged 14-25.</p> <p>Principles into Practice was developed to provide a practical framework and help those with strategic responsibility to design and oversee approaches which will improve transitions in their local authority area.</p> <p>The framework was trialled in 10 local authority areas. During this trial, a need was identified for all groups – young people, parents and carers, and professionals - to understand their entitlements and responsibilities for a smooth transition to adulthood.</p> <p>Compass was then developed to help professionals, young people and their families navigate this time with the right information and resources at their fingertips</p>	<p>Transitions in different local authority areas.</p> <p>It will enable you to collectively meet legislative and regulatory requirements while supporting the implementation of a range of Scottish Government policy areas including: the National Transitions to Adulthood Strategy for Young Disabled People, Getting it Right for Every Child, Getting it Right for Everyone, Additional Support for Learning, and the United Nations Convention on the Rights of the Child.</p>	<p>You can visit our Knowledge Hub to read more about these key areas of legislation and policy. A Transitions Knowledge Hub provided by ARC Scotland</p>
