If they do not submit their application, we unfortunately can't screen them for the programme.</p> <p>If you know of any students who have applied, please check in with them to make sure their application has been submitted. If you know of anyone who is keen to apply, please encourage them to do so sooner rather than later as we are expecting high numbers for the programme. All we are looking for for this application is a CV and Cover Letter.</p> <p>We currently have opportunities for S5 and S6 students to take part in a work insight week at our Morgan Stanley Glasgow Office, running from 12th to 16th of October 2026.</p>	<p>This opportunity will allow students to take part in a variety of sessions including work shadowing, business overviews, networking sessions and the chance to learn more about what is involved in the recruitment process. The week will take place from the 12th to the 16th of October 2026 in our tenth year!</p> <p>Please share this with students who will be in 5th or 6th year come October 2026 and are looking to get a great insight into what a career at Morgan Stanley could look like and some tips on how to get there. To be considered for this Insight Week, students must be on track for or achieved a minimum of 4 Higher Grades at grade B or above, including Maths and English. Interested students must also be 16years of age by 12th October 2026 to be eligible for this opportunity.</p> <p><b>Applications will close on Friday 11th September 2026.</b></p>	 <p>High School Insight Week 2026 Flyer.pdf</p> <p>Attached is our flyer with QR codes to the job listing, but students can also apply here for a focus on technology, operations and finance</p> <p>Morgan Stanley is an equal opportunity employer committed to building and maintaining a workforce that is diverse in experience and background. Our recruiting efforts reflect our strong commitment to a culture of inclusion, where individuals are hired, developed, and advanced based on their skills and talents. Our workforce reflects a broad cross-section of the global communities in which we operate, bringing a variety of backgrounds, talents, perspectives, and experiences.
