Ongoing	DYW 	Overview STEP INTO STEM 2026 – Bigger. Bolder. More Inspiring Than Ever! Following the huge success of our previous events, Step into STEM returns for 2026 with an even bigger and more exciting programme! Hosted at South Lanarkshire College 7th October 9am-1pm, this interactive event is designed for S2 and S4–S6 pupils, helping young people explore future career pathways and make informed subject choices for the next academic year. This is a fantastic opportunity for schools across Lanarkshire and East Dunbartonshire to engage pupils in the exciting world of Science, Technology, Engineering and Mathematics (STEM). Through hands-on experiences and real-world challenges, learners will discover the vast range of careers available, gain insight into cutting-edge industries, and be inspired to continue their studies in maths, science and related subjects.	What to Expect Pupils will take part in a series of engaging, hands-on workshops delivered by South Lanarkshire College, including: - VEX Robotics - Infra-Red Camera Systems - All About Animation - Programming & Coding - Crime Solving Challenges - Pit Stop Challenge - Dental Careers & Technology - Engineering Activities ...and much more! Inspire the Next Generation Step Into STEM is more than just an event—it's an opportunity to spark curiosity, build confidence, and inspire the next generation of scientists, engineers, technologists and innovators. Join us for a day of discovery, innovation and hands-on STEM experiences that could shape future careers. 🚀	South Lanarkshire College STEM 2026 Inspiring today's learners to become tomorrow's innovators. 🚌 Bus Booking: info@dywled.org Event Booking: https://www.eventbrite.co.uk/e/1994000354738?aff=oddtcreator

Ongoing	DYW 	Strathclyde University Technology & Innovation Centre, Glasgow Friday 13 November-9AM - 1 PM Overview Step into FINANCE will take place at the Technology & Innovation Centre at Strathclyde University on the 13th of November from 9.00 am to 1.00 pm We are holding the event in partnership with our colleagues at DYW Glasgow and DYW West and as a result, will be reaching out to over 120 High Schools from West Central Scotland. The aim is to provide secondary school pupils with a wider understanding of the Financial Sector and Professional Service Industries and the potential career opportunities in those fields, whilst hopefully inspiring them to select the relevant subjects and pathways at school that can lead to the sector. This event is available to pupils from S3-S6 year groups. We will be happy to support single booked tickets for senior phase pupils, who are able to travel independently.	 What Can Pupils Expect? The event is a great way to engage with pupils who are unaware of the variety of roles that exist within finance. While traditional careers such as accounting and banking are highlighted, pupils also discover opportunities in areas such as technology, data analysis, cybersecurity, marketing, customer services, insurance, investment and fintech. Employers will also share first-hand experiences, helping young people connect classroom learning to real-world careers Step into Finance also supports informed subject choices by demonstrating the skills and qualifications valued by employers. By engaging directly with industry professionals, pupils gain insight into apprenticeships, college routes, university pathways and employment opportunities to strengthen connection between education and the industry of financial & professional services.	Step into Finance & Professional Services Strathclyde University Booking: https://www.eventbrite.co.uk/e/1993829618060?aff=oddttdtcreator  Location Strathclyde University Mural 99 George Street Technology & Innovation Centre Glasgow G1 1RD

31/08/25	Pathway CTM 	Women into Home Building Cohort 9 is now open, and it's a real route into a career, not just a taster. The site management placement programme is for women aged 18+, particularly career changers and women returning to work. No construction background is needed, just the right attitude. Placements have led to job offers for many past candidates, so this can be a real stepping stone into the industry as well as valuable hands on experience.	Scotland: North Lanarkshire (Bellway) The programme runs a virtual insight week from 2 to 6 November, followed by a two-week work placement from 9 to 20 November, giving candidates the chance to undertake the programme with an employer who's hiring. Would you be able to please share this with your pupil network?	We have a placement in the below areas, a real, local opportunity Application link: https://pathwayctm.com/services/women-into-home-building/ 
31/08/26	New College Lanarkshire Motherwell-CAD Lecturer Team  NEW COLLEGE LANARKSHIRE	School CAD Offer Please share the link attached to all your schools for booking me for the annual CAD presentations to senior pupils S4-S6 It would be ideal if I could speak to all senior pupils about their options for a career in 'CAD'	We have afternoons open from 2 - 4pm but realistically can only do one school per afternoon, can you please only book into a space if you can make the date and time.	Book time with Vivien Townsley CAD Presentation: 45 min https://outlook.office.com/bookwithme/user/4f43201a180f46ee9b6bc91d61cc0ceb@nclan.ac.uk/meetingtype/yQH8g1JRzEe9Yddi2ogxbg2?anonymous&ismsaljsauthenabled&ep=email

		We can extend this to Graphic Communication, Design & Manufacture and Art pupils if there is space at next round.		
31/08/26	New College Lanarkshire Motherwell-CAD Lecturer Team 	Event Offer for S2's We will be offering the S2 CAD 'Have a Go' again, week commencing 18th February 2027.	This was an amazing opportunity last year for hundreds of pupils and the department is now able to extend the offer to ALL schools.	SAVE THE DATE: This year I think we will let the schools book the slots they want as opposed to me trying to allocate the places; as feedback from LY suggested this will work best. Booking info communicated nearer the time to share with the school department.
31/08/26	BBC Early Careers 	Apprenticeship levels explained BBC apprenticeships offer the opportunity to gain hands-on experience, gold-standard training and a formal qualification, all while receiving a salary and benefits. 24/08/26	University West of Scotland 	Welcome to the next edition of our newsletter! With schools back in session, we look forward to continuing our work with you to support aspirations, learning, and future success. Please see below our latest updates. The Taking of Battlemount High: book launch and conversation This event will mark the launch of The Taking of Battlemount High, a new novel by UWS academic and former journalist Dr Ken Pratt. The book follows a secondary school pupil trying to cope after the death of his older brother in Afghanistan and looks at how that loss begins to affect his behaviour, relationships, and experience of school. We think the event will be particularly relevant to English teachers, guidance and pastoral staff, principal teachers and colleagues working with and supporting pupils affected by trauma, bereavement, or challenging circumstances. Please see the attached invitation for more information. Wednesday 2 September	UWS will be attending the following UCAS Discovery event so make sure you get booked up and pop along to our stand and say hi! • Dundee 2 September 2026, University of Dundee • Fife 3 September 2026, Carnegie Conference and Events Centre • Aberdeen 8 September 2026, Robert Gordon University • Moray 9 September 2026, University of Highlands and Islands, Elgin Campus • Inverness 10 September 2026, University of Highlands and Islands, Inverness Campus • Glasgow 15 September 2026, SEC Centre, Glasgow • Lanarkshire 16 September 2026, University of the West of Scotland, Lanarkshire Campus • Ayrshire 17 September 2026, Ayrshire College, Kilmarnock Campus • Edinburgh 22 September 2026, Royal Highland Centre • Borders 23 September 2026, Borders Event Centre, Kelso	Other Events & Online Information Sessions You can find a full list of our upcoming undergraduate events and online Information Sessions, including how to register here.

24/08/26	World Space Week 	Launch A Rocket During World Space Week 2026 This year's World Space Week theme, Rocket Revolution, celebrates the growing accessibility of rocketry and the many ways people can explore space through hands-on activities. Whether you're building a baking soda and vinegar rocket, a water rocket, a paper rocket, or launching a certified model rocket, every launch is an opportunity to inspire curiosity, creativity, and innovation. We encourage you to take part, regardless of your age, background, or experience. Gather your family, classmates, colleagues, or local community and launch a rocket during World Space Week (October 4–10, 2026). Register your activity on the World Space Week website and add it to the global activity map. World Space Week Celebrate UN-declared World Space Week, 4-10 October annually, the largest space event in the world Let's fill the map with rocket launches from every corner of the globe!	Everything You Need To Get Started Not sure where to begin? Our rocket launch toolkit has everything you need to launch a rocket during World Space Week. Whether you're launching a certified model rocket or building one from everyday materials you can find at home or school, the toolkit provides step-by-step tutorials and resources to help you get started safely and confidently. Designed in collaboration with Estes Rockets for educators, students, families, and community groups, the activities are easy to recreate and suitable for a range of ages and experience levels. Explore the toolkit, choose your favorite rocket project, and add your launch as an event on the website! World Space Week Celebrate UN-declared World Space Week, 4-10 October annually, the largest space event in the world	Share Your Launch! Your launch can inspire others to join the Rocket Revolution! Whether you're launching a rocket, completing a rocket-themed lesson, or bringing your creativity to life with rocket artwork, we'd love to see your World Space Week activities. Take photos or videos of your event and share them on social media using #RocketRevolution. Be sure to tag @WorldSpaceWeek for a chance to win exciting prizes, certificates, and online recognition. To qualify, include a visible World Space Week logo, poster, or printed text somewhere in your photo or video. Please note that digitally added logos or text are not recommended. Show us how you're celebrating World Space Week, and inspire others around the world to join the Rocket Revolution this year! World Space Week Celebrate UN-declared World Space Week, 4-10 October annually, the largest space event in the world

24/08/26	ISS World UK 	Offering ISS World UK proposes a one-hour interactive outreach session for secondary schools across Scotland. The aim is to introduce students to the world of Facilities Management (FM), highlight the diverse career pathways within the sector, and inspire young people to consider FM as a future profession. This programme aligns with Scotland's Developing the Young Workforce (DYW) strategy by providing real-world industry insight, employability skills, and exposure to modern workplace environments. By showcasing the essential work of ISS World UK and the diverse career opportunities available, we aim to support young people in making informed choices about their future while strengthening school-industry connections.	Objectives • Raise aspirations & awareness for routes into careers, encourage interest in apprenticeships, early-career programmes, and future employment opportunities. • Develop Employability Skills: Help students identify and build core skills such as communication, teamworking, and problem-solving. • Increase awareness of the Facilities Management and Services industry and showcase the variety of roles within ISS World UK. • Provide practical, engaging activities that help students understand FM in action. • Support schools in delivering career education and linking learning to the workplace. • Embed green skills and sustainability awareness by helping students understand how FM contributes to carbon reduction, energy efficiency, waste management, biodiversity, and responsible resource use.	Schools Outreach Proposal:  Schools Outreach Proposal - Scotland.p Target Audience S1–S6 students in Scottish secondary schools. Content tailored by year group: S1–S3: Broad introduction to FM, interactive demonstrations, and skills awareness. S4–S6: Deeper dive into career pathways, apprenticeships, and employability skills. Career Opportunities At ISS, we keep schools, hospitals, offices and specialist sites running safely and smoothly. We offer a wide range of careers across Facilities Management, Engineering, Cleaning Services, Catering & Hospitality, Front of House and Security as well as the usual Business Administration roles to enable our work like Finance, HR and Project Management. 24/08/26	Morgan Stanley Morgan Stanley	Morgan Stanley Glasgow High School Insight Week Information Update for Applications & 11th September Deadline I wanted to follow up on the High School Insight Week and request to ensure that students are submitting their applications in full as some have been caught at 'Application Questions Stage'. If they do not submit their application, we unfortunately can't screen them for the programme. If you know of any students who have applied, please check in with them to make sure their application has been submitted. If you know of anyone who is keen to apply, please encourage them to do so sooner rather than later as we are expecting high numbers for the programme. All we are looking for for this application is a CV and Cover Letter. We currently have opportunities for S5 and S6 students to take part in a work insight week at our Morgan Stanley Glasgow Office, running from 12th to 16th of October 2026.	This opportunity will allow students to take part in a variety of sessions including work shadowing, business overviews, networking sessions and the chance to learn more about what is involved in the recruitment process. The week will take place from the 12th to the 16th of October 2026 in our tenth year! Please share this with students who will be in 5th or 6th year come October 2026 and are looking to get a great insight into what a career at Morgan Stanley could look like and some tips on how to get there. To be considered for this Insight Week, students must be on track for or achieved a minimum of 4 Higher Grades at grade B or above, including Maths and English. Interested students must also be 16years of age by 12th October 2026 to be eligible for this opportunity. Applications will close on Friday 11th September 2026.	 High School Insight Week 2026 Flyer.pdf Attached is our flyer with QR codes to the job listing, but students can also apply here for a focus on technology, operations and finance Morgan Stanley is an equal opportunity employer committed to building and maintaining a workforce that is diverse in experience and background. Our recruiting efforts reflect our strong commitment to a culture of inclusion, where individuals are hired, developed, and advanced based on their skills and talents. Our workforce reflects a broad cross-section of the global communities in which we operate, bringing a variety of backgrounds, talents, perspectives, and experiences. For more information, please visit: https://www.morganstanley.com/people-opportunities/eo.
